Flights from Mexico City (CDMX) to Oaxaca City

Airlines that offer flights from Mexico City to Oaxaca City

Airline	Schedule	Approximate costs in Mexican pesos	Link:
Aeromexico	Various schedules throughout the day., depending on the date	From \$3000 and up (It is the most expensive)	https://aeromexico.com/es-mx
Viva Aerobus	Various schedules throughout the day., depending on the date	From \$1200 to \$4000 (Moderate prices, but with conditions)	https://www.vivaaerobus.com/es-mx/
Volaris	Various schedule throughout the day. depending on the date	from \$1200 a \$4000 (Moderate prices, but with conditions)	https://www.volaris.com/

Important notes about flights:

- Flights programmed every day and at various schedules.
- It is important to choose the Benito Juárez Airport in Mexico City AICM in the lists of origin or departure options, not AIFA since this second airport is in the State of Hidalgo and is very far from Mexico City.
- The estimated transportation time is one hour and ten or forty minutes. It is important to choose options that have flights of this duration, since there are cheap flights that make stopovers, and the trip can take 5 or more hours.
- Mexico City's Benito Juárez Airport, AICM, has two terminals, 1 and 2. If you need to transfer from one terminal to another, there is internal airport transportation. Ask where to take it.

Buses from Mexico City (CDMX) to Oaxaca City

Ground transportation lines:

1. ADO, ADO GL y ADO PREMIUM. (First-class).
2. Cristóbal Colón, OCC. (Second Class).
3. AU (Second Class).

Important notes about bus transportation:

- Prices range from \$350 to \$800 (in Mexican pesos) depending on the class and schedule to choose.
- These buses depart approximately every hour throughout the day.

- The trip takes approximately six hours and thirty minutes. There are options that visit other towns and take longer.
- When choosing the option Origin, type or select "Mexico City, CDMX" and in Destination "Oaxaca de Juárez, Oax". Once the list of options is displayed, choose the ones that say "Mexico TAPO" at the departure time. The TAPO is the bus terminal that is 20 minutes from Mexico City's Benito Juarez airport and can be reached by airport taxi, which is safer.
- The ADO terminal in the city of Oaxaca is a 10-minute walk from the host school, Moisés Sáenz, place where you will make the registration to the RIDEF and receive information of the corresponding hotel.

SPECIAL DEPARTURE FROM MEXICO CITY AIRPORT TO OAXACA CITY.

There is a special daily departure from Mexico City's Benito Juarez airport in terminal 1 (Domestic arrivals) to Oaxaca City's ADO bus terminal departing at 08:15 hrs., and arriving at 14:20 hrs. Cost, \$1068.

The trip from Mexico City's Benito Juarez Airport to the "TAPO" Terminal, by safe taxi, can be taken without leaving the airport. We recommend Prho Taxi and Yellow Cab which are the cheapest. Currently, their cost ranges between 100 and 185 pesos per person.
